* Prerequisites may be required before students can take the equivalents of these courses at the community college

** There are equivalents at the community colleges for University of Maryland's CORE classes. Please see a transfer counselor at the community college or ARTSYS (<http://artweb.usmd.edu/>) for assistance in identifying these courses. For more information on the CORE requirements at UMD, visit <http://www.ugst.umd.edu/core/>.

*** Students with previous Bachelor's degrees may have met the University of Maryland's CORE requirements in their first undergraduate degree. Visit the CORE department at <http://www.ugst.umd.edu/core/> for more information on the University of Maryland's CORE requirements and the Transfer Credit Center at <http://www.tce.umd.edu/master.html> to see if coursework from your previous degree will count towards the University of Maryland's CORE requirements.
