University of Maryland Extension is one part of the University's College of Agriculture and Natural Resources. The mission of Extension is to educate citizens to apply practical, research-based knowledge to critical issues facing individuals, families, communities, the state, and our global partners.

University of Maryland Extension has conducted the Maryland Master Gardener Program continuously since 1978. The program's mission is to train volunteer educators to extend the services, programs, and expertise of UME to the general public.

Cost -\$10 per date per person/family
 Be sure the dates you choose match the lectures you wish to attend. Space is limited, so register early by sending your registration

Be Part of Maryland's Newest, Freshest Campaign!

Mission:

Help Marylanders improve health and save money by growing fresh vegetables, fruits, and herbs using sustainable practices.

Our Vision:

1 million Maryland food gardeners producing their own affordable, healthy food.

We Can Show You How

Do You Want To:

- Eat fresh organic food?
- Get more exercise?
- Reduce stress and improve well being?
- Be more self reliant?
- Have fun?

We can show you how to grow vegetables, fruits, herbs, and salad greens in:

- Backyard gardens
- Container gardens
- Community gardens
- Youth gardens
