ADMINISTRATIVE PROCEDURE College of Agriculture and Natural Resources

Sub-unit **College of Agriculture and Natural Resources**

Subject **Position Approval and Hiring Procedure**

Effective Date **July 1, 2000**
Amended July 1, 2001

A. Purpose

Establish a procedure for the College of Agriculture and Natural Resources (AGNR) Departments and/or Units to gain approval to fill positions. The University of Maryland provides authorization via the Dean to fill all AGNR vacancies. These procedures apply to filling all vacancies within AGNR and those that AGNR has a financial or management interest.

The procedure to be outlined provides consistency in AGNR approval, hiring and search processes; promotes and facilitates Equal Employment Opportunity; and enhances the effectiveness and efficiency of the AGNR position approval process.

The College of Agriculture and Natural Resources shall follow all of the University of Maryland, College Park policies, procedures and guidelines for hiring. Specific search procedures are identified in the document, "Procedures and Guidelines for Searches at The University of Maryland" and in the UMCP Faculty Handbook. In addition all vacancies with 50% or more funding from Agricultural Experiment Station and/or Maryland Cooperative Extension must conform to University of Maryland and United States Department of Agriculture EEO, Affirmative Action and Civil Rights laws and regulations. All searches require the review of the AGNR Equity Administrator.

Actions taken pursuant to this procedure shall be consistent with the College of Agriculture and Natural Resources' commitment not to discriminate in any matter against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or physical or mental disability unrelated in nature and extent so as reasonably to preclude the performance of such employment.

B. Request to Fill a Position

The Department/Unit head shall submit the "AGNR Position Request Form" (Appendix A) to the Dean via the AGNR Fiscal Office for approval. **All open positions and reclassifications require the AGNR form.** The appropriate information shall be verified by the Fiscal Office. Once the approved "AGNR Position Request Form" is returned to the Department/Unit, the respective group shall begin the search and hiring process.

UMCP search procedures are found in the "Procedures And Guidelines For Conducting Searches At The University of Maryland" located at <http://umdacc.umd.edu/AIS502>. In addition, Maryland Cooperative Extension has procedures unique to its field faculty and staff. Contingent Category I and II contracts are subject to the AGNR three week deadline for processing contracts.
